Quantity Returned	Madison Part	Description	Reference No. of Original Invoice
1	M5112	Liquid Level Switch, Stainless Steel, 6.5" Flange, 100 Watt Switch, 7" Leads with Molex Electrical Connector, 2 Levels	

Note  
 Memo      The long float that engages the yellow 3/4 full light works. The short float that shuts the valve and sounds the full alarm isn't working at all.
